

SAMSUNG

The Galaxy Tab® S3. Your customer engagement just got more powerful and more creative.

SAMSUNG Galaxy Tab S3

Our most powerful Android™ tablet is now your most impactful business tool.

We're putting a more powerful, more productive and creative tool into the hands of businesspeople. The Samsung Galaxy Tab S3 is twice as fast as the popular Tab S2, so you can get even more done in a day. Whether you're engaging a current or prospective client, collaborating with colleagues or working by yourself, you'll find the Tab S3 enables you to do more. The immersive 9.7" QXGA sAMOLED screen is now joined by equally immersive, quad-way stereo speakers. The full-size S Pen makes quick note-taking easy. The optional POGO keyboard expands your productivity capabilities. And it's all protected by defense-grade Samsung Knox, for multi-layered protection from the moment you turn on the Tab S3.

Outstanding Design

- At just .23" and 15.1 oz., the Galaxy Tab S3 is effortless to carry all day.
- The glossy glass-back design is sleek, elegant and impressive, in your choice of black or silver.
- See and share all the details with brilliant clarity and color via the 9.7" QXGA sAMOLED screen.
- The redesigned, full-size S Pen is easier than ever to use, for simple note-taking, idea-capturing and interactive presentations.
- The optional POGO keyboard features ergonomic keys and an optimized layout, for expanded productivity.

Optimized Productivity

- The Galaxy Tab S3 delivers 57% more CPU performance and three times the GPU performance of the Galaxy Tab S2, for maximum productivity.
- Quad-way stereo speakers add fullness and dimension to videos and multi-media presentations.
- The 13MP autofocus rear camera with flash and the 5MP front-facing camera makes for sharp, clear conference calls and photographs.
- Work all day with up to 12 hours of battery life. Fast charging has you up and running again quickly.
- USB 3.1 Type-C offers efficient high-speed data transmission, and the reversible connector simplifies use.
- Samsung Flow wirelessly connects your Galaxy Tab S3 with your Samsung Galaxy smartphone, for seamless workflow and to enable a mobile hotspot that keeps the Tab S3 connected wherever you are.

Manageability and Support

- Protect your most sensitive data with Samsung Knox™ defense-grade security.¹
- Fingerprint authentication adds a layer of security.
- Leverage Samsung's Knox™ Customization services to build solutions tailored to your business, for ultimate IT manageability.
- Extended warranties and dedicated toll-free Business Support add peace of mind.
